

in addition to those expressly undertaken in this Agreement or to any liability. Notwithstanding anything else to the contrary herein, any purported transfer of an ERISA-Restricted Certificate in the form of a Definitive Certificate to an employee benefit plan subject to ERISA or Section 4975 of the Code without the delivery to the Certificate Registrar of an Opinion of Counsel satisfactory to the Certificate Registrar as described above shall be void and of no effect.

In the case of an ERISA-Restricted Certificate that is a Book-Entry Certificate, for purposes of clauses (i) or (ii) of the first sentence of the preceding paragraph, such representations shall be deemed to have been made to the Certificate Registrar by the transferee's acceptance of such ERISA-Restricted Certificate that is also a Book-Entry Certificate (or the acceptance by a Certificate Owner of the beneficial interest in such Certificate).

To the extent permitted under applicable law (including, but not limited to, ERISA), none of the Trustee, the Certificate Registrar or the Depositor shall have any liability to any Person for any registration of transfer of any ERISA-Restricted Certificate that is in fact not permitted by this Section 6.02(d) or for the Paying Agent making any payments due on such Certificate to the Holder thereof or taking any other action with respect to such Holder under the provisions of this Agreement so long as the transfer was registered by the Certificate Registrar in accordance with the foregoing requirements. In addition, none of the Trustee, the Certificate Registrar or the Depositor shall be required to monitor, determine or inquire as to compliance with the transfer restrictions with respect to any ERISA-Restricted Certificate in the form of a Book-Entry Certificate, and none of the Trustee, the Certificate Registrar or the Depositor shall have any liability for transfers of Book-Entry Certificates or any interests therein made in violation of the restrictions on transfer described in the Prospectus Supplement and this Agreement.

(e) Each Person who has or who acquires any Ownership Interest in a Residual Certificate shall be deemed by the acceptance or acquisition of such Ownership Interest to have agreed to be bound by the following provisions and to have irrevocably appointed the Depositor or its designee as its attorney-in-fact to negotiate the terms of any mandatory sale under clause (v) below and to execute all instruments of transfer and to do all other things necessary in connection with any such sale, and the rights of each Person acquiring any Ownership Interest in a Residual Certificate are expressly subject to the following provisions:

(i) Each Person holding or acquiring any Ownership Interest in a Residual Certificate shall be a Permitted Transferee who acquires such Ownership Interest in a Residual Certificate for its own account and not in the capacity as trustee, nominee or agent for another Person and shall promptly notify the Certificate Registrar and the Trustee of any change or impending change in its status as such a Permitted Transferee.

(ii) No Ownership Interest in a Residual Certificate may be registered on the Closing Date and no Ownership Interest in a Residual Certificate may thereafter be transferred, and the Certificate Registrar shall not register the Transfer of a Residual Certificate unless, in addition to the certificates required to be delivered under subsection (d) above, the Trustee and the Certificate Registrar shall have been furnished with an affidavit ("**Transfer Affidavit**") of the initial owner of such Residual Certificate or proposed transferee of a Residual Certificate in the form attached hereto as Exhibit L.

(iii) In connection with any proposed transfer of any Ownership Interest in a Residual Certificate, the Trustee and the Certificate Registrar shall as a condition to registration of the transfer, require delivery to them of a Transferor Certificate in the form of Exhibit K hereto from the proposed transferor to the effect that the transferor (a) has no knowledge the proposed Transferee is not a Permitted Transferee acquiring an Ownership Interest in such Residual Certificate for its own account and not in a capacity as trustee, nominee, or agent for another Person, and (b) has not undertaken the proposed transfer in whole or in part to impede the assessment or collection of tax.

(iv) Any attempted or purported Transfer of any Ownership Interest in a Residual Certificate in violation of the provisions of this Section shall be absolutely null and void and shall vest no rights in the purported transferee. If any purported transferee shall, in violation of the provisions of this Section, become a Holder of such Residual Certificate, then the prior Holder of such Residual Certificate that is a Permitted Transferee shall, upon discovery that the registration of Transfer of such Residual Certificate was not in fact permitted by this Section, be restored to all rights as Holder thereof retroactive to the date of registration of transfer of such Residual Certificate. None of the Trustee, the Certificate Registrar or the Depositor shall have any liability to any Person for any registration of Transfer of a Residual Certificate that is in fact not permitted by this Section or for the Paying Agent making any distributions due on a Residual Certificate to the Holder thereof or taking any other action with respect to such Holder win the provisions of this Agreement so long as the Trustee and the Certificate Registrar received the documents specified in clause (iii). The Certificate Registrar shall be entitled to recover from any Holder of such Residual Certificate that was in fact not a Permitted Transferee at the time such distributions were made all distributions made on such Residual Certificate. Any such distributions so recovered by the Certificate Registrar shall be distributed and delivered by the Certificate Registrar to the last Holder of such Residual Certificate that is a Permitted Transferee.

(v) If any Person other than a Permitted Transferee acquires any Ownership Interest in a Residual Certificate in violation of the restrictions in this Section, then the Certificate Registrar shall have the right but not the obligation, without notice to the Holder of such Residual Certificate or any other Person having an Ownership Interest therein, to notify the Depositor to arrange for the sale of such Residual Certificate. The proceeds of such sale, net of commissions (which may include commissions payable to the Depositor or its affiliates in connection with such sale), expenses and taxes due, if any, will be remitted by the Certificate Registrar to the previous Holder of such Residual Certificate that is a Permitted Transferee, except that in the event that the Certificate Registrar determines that the Holder of such Residual Certificate may be liable for any amount due under this Section or any other provisions of this Agreement, the Certificate Registrar may withhold a corresponding amount from such remittance as security for such claim. The terms and conditions of any sale under this clause (v) shall be determined in the sole discretion of the Trustee and the Certificate Registrar and they shall not be liable to any Person having an Ownership Interest in such Residual Certificate as a result of its exercise of such discretion.

(vi) If any Person other than a Permitted Transferee acquires any Ownership Interest in a Residual Certificate in violation of the restrictions in this Section, then the Securities Administrator upon receipt of reasonable compensation will provide to the Internal Revenue Service, and to the persons specified in Sections 860E(e)(3) and (6) of the Code, information needed to compute the tax imposed under Section 860E(e)(5) of the Code on transfers of residual interests to disqualified organizations.

The foregoing provisions of this Section shall cease to apply to transfers occurring on or after the date on which there shall have been delivered to the Certificate Registrar and the Servicer, in form and substance satisfactory to the Certificate Registrar, (i) written notification from each Rating Agency that the removal of the restrictions on Transfer set forth in this Section will not cause such Rating Agency to downgrade its ratings of the Certificates (determined in the case of the Insured Certificates, without giving effect to the Certificate Insurance Policy) and (ii) an Opinion of Counsel to the effect that such removal will not cause the REMIC created hereunder to fail to qualify as a REMIC.

(f) Notwithstanding any provision to the contrary herein, so long as a Restricted Global Security or Regulation S Global Security, as applicable, representing the Certificates remains outstanding and is held by or on behalf of the Depository, transfers of a Restricted Global Security or Regulation S Global Security, as applicable, representing the Certificates, in whole or in part, shall only be made in accordance with Section 6.01 and this Section 6.02(f).

(i) Subject to clauses (ii) and (iii) of this Section 6.02(f), transfers of a Restricted Global Security or Regulation S Global Security, as applicable, representing the Certificates shall be limited to transfers of such a Restricted Global Security or Regulation S Global Security, as applicable, in whole, but not in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee.

Upon receipt by the Certificate Registrar of (A) instructions from the Depository directing the Certificate Registrar to cause to be credited a beneficial interest in a Regulation S Global Security in an amount equal to the beneficial interest in such Restricted Global Security to be exchanged but not less than the minimum denomination applicable to such Certificateholders' held through a Regulation S Global Security, (B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and, in the case of a transfer pursuant to and in accordance with Regulation S, the Euroclear or Clearstream account to be credited with such increase and (C) a certificate in the form of Exhibit N-1 hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to

the Global Securities, including that the holder is not a U.S. Person and pursuant to and in accordance with Regulation S, the Certificate Registrar shall reduce the principal amount of the Restricted Global Security and increase the principal amount of the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Restricted Global Security to be exchanged, and shall instruct Euroclear or Clearstream, as applicable, concurrently with such reduction, to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Regulation S Global Security equal to the reduction in the principal amount of the Restricted Global Security.

(iii) Regulation S Global Security to Restricted Global Security. If a holder of a beneficial interest in a Regulation S Global Security deposited with or on behalf of the Depository wishes at any time to transfer its interest in such Regulation S Global Security to a Person who wishes to take delivery thereof in the form of an interest in a Restricted Global Security, such holder may, subject to the rules and procedures of the Depository, exchange or cause the exchange of such interest for an equivalent beneficial interest in a Restricted Global Security. Upon receipt by the Certificate Registrar of (A) instructions from the Depository directing the Certificate Registrar to cause to be credited a beneficial interest in a Restricted Global Security in an amount equal to the beneficial interest in such Regulation S Global Security to be exchanged but not less than the minimum denomination applicable to such Certificateholder's Certificates held through a Restricted Global Security, to be exchanged, such instructions to contain information regarding the participant account with the Depository to be credited with such increase, and (B) a certificate in the form of Exhibit N-2 hereto given by the holder of such beneficial interest and stating, among other things, that the Person transferring such interest in such Regulation S Global Security reasonably believes that the Person acquiring such interest in a Restricted Global Security is a qualified institutional buyer within the meaning of Rule 144A, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any State of the United States or any other jurisdiction, then the Certificate Registrar will reduce the principal amount of the Regulation S Global Security and increase the principal amount of the Restricted Global Security by the aggregate principal amount of the beneficial interest in the Regulation S Global Security to be transferred and the Certificate Registrar shall instruct the Depository, concurrently with such reduction, to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Restricted Global Security equal to the reduction in the principal amount of the Regulation S Global Security.

(iv) Other Exchanges. In the event that a Restricted Global Security or Regulation S Global Security, as applicable, is exchanged for Certificates in definitive registered form without interest coupons, such Certificates may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to insure that such transfers comply with Rule 144A or are to non-U.S. Persons, or otherwise comply with Regulation S under the Securities Act, as the case may be, and as may be from time to time adopted by the Depositor and the Certificate Registrar.

(v) Restrictions on U.S. Transfers. Transfers of interests in the Regulation S Global Security to U.S. persons (as defined in Regulation S) shall be limited to transfers made pursuant to the provisions of Section 6.02(f)(iii).

(g) No service charge shall be made for any registration of transfer or exchange of Certificates of any Class, but the Certificate Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

All Certificates surrendered for registration of transfer or exchange shall be cancelled by the Certificate Registrar and disposed of pursuant to its standard procedures.

SECTION 6.03. Mutilated, Destroyed, Lost or Stolen Certificates.

If (i) any mutilated Certificate is surrendered to the Trustee or the Certificate Registrar or the Trustee or the Certificate Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate and (ii) there is delivered to the Trustee, the Certificate Registrar and the Depositor such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Trustee, the Depositor or the Certificate Registrar (and with respect to the Insured Certificates, the Certificate Insurer) that such Certificate has been acquired by a bona fide purchaser, the Trustee shall execute on behalf of the Trust and the Certificate Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor and Percentage Interest. Upon the issuance of any new Certificate under this Section, the Trustee, the Depositor or the Certificate Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee, the Depositor and the Certificate Registrar) in connection therewith. Any duplicate Certificate issued pursuant to this Section, shall constitute complete and indefeasible evidence of ownership in the Trust Fund, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 6.04. Persons Deemed Owners.

The Depositor, the Trustee, the Certificate Registrar, the Certificate Insurer (with respect to the Insured Certificates), the Paying Agent and any agent of the Depositor, the Trustee, the Certificate Registrar, the Certificate Insurer or the Paying Agent may treat the Person, including a Depository, in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving distributions pursuant to Section 5.01 hereof and for all other purposes whatsoever, and none of the Trust, the Depositor, the Trustee, the Certificate Registrar, the Certificate Insurer, the Paying Agent or any agent of any of them shall be affected by notice to the contrary.

SECTION 6.05. Appointment of Paying Agent.

(a) The Trustee may appoint a Paying Agent (which may be the Trustee) for the purpose of making distributions to Certificateholders hereunder. The Trustee hereby appoints the

Securities Administrator as the initial Paying Agent. ARTICLE VII

DEFAULT

SECTION 7.01. Event of Default.

(a) If any one of the following events (each, an “**Event of Default**”) shall occur and be continuing:

(i) the failure by the Master Servicer to make any Advance or to deposit in the Distribution Account any deposit required to be made under the terms of this Agreement, and such failure continues unremedied for a period of one Business Day after the date upon which written notice of such failure, requiring the same to be remedied, shall have been given to the Master Servicer; or

(ii) the failure by the Master Servicer duly to observe or perform, in any material respect, any other covenants, obligations or agreements of the Master Servicer as set forth in this Agreement, which failure continues unremedied for a period of 60 days (or, in the case of a breach of its obligation to provide a Sarbanes-Oxley Certification pursuant to Section 3.18, 30 days) after the date (A) on which written notice of such failure, requiring the same to be remedied, shall have been given to the Master Servicer by the Trustee or to the Master Servicer and the Trustee by Holders of Certificates evidencing at least 25% of the Voting Rights or (B) on which a Servicing Officer of the Master Servicer has actual knowledge of such failure; or

(iii) the entry against the Master Servicer of a decree or order by a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a trustee, conservator, receiver or liquidator in any insolvency, conservatorship, receivership, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 days; or

(iv) the Master Servicer shall voluntarily go into liquidation, consent to the appointment of a conservator or receiver or liquidator or similar person in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings of or relating to the Master Servicer or of or relating to all or substantially all of its property; or a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver, liquidator or similar person in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Master Servicer and such decree or order shall have remained in force undischarged, unbonded or unstayed for a period of 60 days; or the Master Servicer shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors or voluntarily suspend payment of its obligations;

(b) then, and in each and every such case, so long as an Event of Default shall not have been remedied within the applicable grace period, the Trustee shall, at the written direction of the Holders of Certificates evidencing Voting Rights aggregating not less than 51%, by notice then given in writing to the Master Servicer, terminate all of the rights and obligations of the Master Servicer as servicer under this Agreement. Any such notice to the Master Servicer shall also be given to each Rating Agency, the Certificate Insurer, the Depositor and the Seller. On or after the receipt by the Master Servicer (and by the Trustee if such notice is given by the Holders) of such written notice, all authority and power of the Master Servicer under this Agreement, whether with respect to the Certificates or the Mortgage Loans or otherwise, shall pass to and be vested in the Trustee and the Trustee is hereby authorized and empowered to execute and deliver, on behalf of the Master Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of each Mortgage Loan and related documents or otherwise. The Master Servicer agrees to cooperate with the Trustee in effecting the termination of the responsibilities and rights of the Master Servicer hereunder, including, without limitation, the delivery to the Trustee of all documents and records requested by it to enable it to assume the Master Servicer's functions under this Agreement within ten Business Days subsequent to such notice and the transfer within one Business Day subsequent to such notice to the Trustee for the administration by it of all cash amounts that shall at the time be held by the Master Servicer to be deposited by it in the Distribution Account, any REO Account or any Servicing Account or that have been deposited by the Master Servicer in such accounts or thereafter received by the Master Servicer with respect to the Mortgage Loans or any REO Property received by the Master Servicer. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the Master Servicer's duties and the Mortgage Files to the successor Master Servicer and amending this Agreement to reflect such succession as Master Servicer pursuant to this Section shall be paid by the predecessor Master Servicer (or if the predecessor Master Servicer is the Trustee, the initial Master Servicer) upon presentation of reasonable documentation of such costs and expenses. The termination of the rights and obligations of the Master Servicer shall not affect any liability it may have incurred prior to such termination.

(c) Notwithstanding the foregoing, if an Event of Default described in clause (i) of Section 7.01(a) shall occur, the Trustee shall, by notice in writing to the Master Servicer, which may be delivered by telecopy, immediately suspend all of the rights and obligations of the Master Servicer thereafter arising under this Agreement, but without prejudice to any rights it may have as a Certificateholder or to reimbursement of outstanding Advances or other amounts for which the Master Servicer was entitled to reimbursement as of the date of termination, and the Trustee shall act as provided in Section 7.02 to carry out the duties of the Master Servicer, including the obligation to make any Advance the nonpayment of which was an Event of Default described in clause (i) of Section 7.01(a). Any such action taken by the Trustee must be prior to the distribution on the relevant Distribution Date. If the Master Servicer shall within two Business Days following such suspension remit to the Trustee the amount of any Advance the nonpayment of which by the Master Servicer was an Event of Default described in clause (i) of Section 7.01(a), the Trustee may, in its sole discretion, permit the Master Servicer to resume its rights and obligations as Master Servicer hereunder. The Master Servicer agrees that it will reimburse the Trustee for actual, necessary and reasonable costs incurred by the Trustee because of action taken pursuant to this subsection.

SECTION 7.02. Trustee to Act.

(a) From and after the date the Master Servicer (and the Trustee, if notice is sent by the Holders) receives a notice of termination pursuant to Section 7.01, the Trustee shall be the successor in all respects to the Master Servicer in its capacity as servicer under this Agreement and the transactions set forth or provided for herein and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Master Servicer by the terms and provisions hereof arising on and after its succession. As compensation therefor, the Trustee shall be entitled to such compensation as the Master Servicer would have been entitled to hereunder if no such notice of termination had been given. Notwithstanding the above, (i) if the Trustee is unwilling to act as successor Master Servicer or (ii) if the Trustee is legally unable so to act, the Trustee shall appoint or petition a court of competent jurisdiction to appoint, any established housing and home finance institution, bank or other mortgage loan or home equity loan servicer having a net worth of not less than \$15,000,000 as the successor to the Master Servicer hereunder in the assumption of all or any part of the responsibilities, duties or liabilities of the Master Servicer hereunder; provided, that the appointment of any such successor Master Servicer shall not result in the qualification, reduction or withdrawal of the ratings assigned to the Certificates by each Rating Agency as evidenced by a letter to such effect from such Rating Agency. Pending appointment of a successor to the Master Servicer hereunder, unless the Trustee is prohibited by law from so acting, the Trustee shall act in such capacity as hereinabove provided. In connection with such appointment and assumption, the successor shall be entitled to receive compensation out of payments on Mortgage Loans in an amount equal to the compensation which the Master Servicer would otherwise have received hereunder. The appointment of a successor Master Servicer shall not affect any liability of the predecessor Master Servicer which may have arisen under this Agreement prior to its termination as Master Servicer to pay any deductible under an insurance policy pursuant to Section 3.09 or to indemnify the Trustee pursuant to Section 3.26), nor shall any successor Master Servicer be liable for any acts or omissions of the predecessor Master Servicer or for any breach by such Master Servicer of any of its representations or warranties contained herein or in any related document or agreement. The Trustee and such

successor shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession.

(b) Any successor, including the Trustee, to the Master Servicer as Master Servicer shall during the term of its service as Master Servicer continue to service and administer the Mortgage Loans for the benefit of Certificateholders, and maintain in force a policy or policies of insurance covering errors and omissions in the performance of its obligations as Master Servicer hereunder and a Fidelity Bond in respect of its officers, employees and agents to the same extent as the Master Servicer is so required pursuant to Section 3.04.

(c) Notwithstanding anything else herein to the contrary, in no event shall the Trustee be liable for any servicing fee or for any differential in the amount of the servicing fee paid hereunder and the amount necessary to induce any successor Master Servicer to act as successor Master Servicer under this Agreement and the transactions set forth or provided for herein.

SECTION 7.03. Waiver of Event of Default.

The Majority Certificateholders may, on behalf of all Certificateholders, by notice in writing to the Trustee, direct the Trustee to waive any events permitting removal of any Master Servicer under this Agreement, *provided, however*, that the Majority Certificateholders may not waive an event that results in a failure to make any required distribution on a Certificate without the consent of the Holder of such Certificate. Upon any waiver of an Event of Default, such event shall cease to exist and any Event of Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other event or impair any right consequent thereto except to the extent expressly so waived. Notice of any such waiver shall be given by the Trustee to each Rating Agency and the Certificate Insurer.

SECTION 7.04. Notification to Certificateholders.

(a) Upon any termination or appointment of a successor to any Master Servicer pursuant to this Article VII or Section 3.30, the Trustee shall give prompt written notice thereof to the Securities Administrator and the Certificateholders at their respective addresses appearing in the Certificate Register and to each Rating Agency and the Certificate Insurer.

(b) No later than 60 days after the occurrence of any event which constitutes or which, with notice or a lapse of time or both, would constitute an Event of Default of which a Responsible Officer of the Trustee becomes aware of the occurrence of such an event, the Trustee shall transmit by mail to the Securities Administrator, the Certificate Insurer and all Certificateholders notice of such occurrence unless such Event of Default shall have been waived or cured.

ARTICLE VIII

THE TRUSTEE AND THE SECURITIES ADMINISTRATOR

SECTION 8.01. Duties of the Trustee and the Securities Administrator.

The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, and the Securities Administrator each undertake to perform such duties and only such duties as are specifically set forth in this Agreement. If an Event of Default has occurred (which has not been cured or waived) of which a Responsible Officer has actual knowledge, the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs unless the Trustee is acting as successor Master Servicer, in which case it shall use the same degree of care and skill as the Master Servicer hereunder.

Each of the Trustee and the Securities Administrator, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee and the Securities Administrator, which are specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they conform to the requirements of this Agreement; *provided, however*, that neither the Trustee nor the Securities Administrator will be responsible for the accuracy or content of any such resolutions, certificates, statements, opinions, reports, documents or other instruments. If any such instrument is found not to conform to the requirements of this Agreement in a material manner, the Trustee and the Securities Administrator shall take such action as it deems appropriate to have the instrument corrected.

On each Distribution Date, the Securities Administrator, as Paying Agent, shall make monthly distributions and the final distribution to the Certificateholders from funds in the Distribution Account as provided in Sections 5.01 and 10.01 herein.

No provision of this Agreement shall be construed to relieve the Trustee or the Securities Administrator from liability for its own negligent action, its own negligent failure to act or its own willful misconduct; *provided, however*, that:

(i) prior to the occurrence of an Event of Default, and after the curing of all such Events of Default which may have occurred, the duties and obligations of the Trustee and the Securities Administrator shall be determined solely by the express provisions of this Agreement, neither the Trustee nor the Securities Administrator shall be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Trustee or the Securities Administrator and, in the absence of bad faith on the part of the Trustee or the Securities Administrator, the Trustee or the Securities Administrator may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee or the Securities Administrator, respectively, and conforming to the requirements of this Agreement;

(ii) neither the Trustee nor the Securities Administrator shall be liable for an error of judgment made in good faith by a Responsible Officer of the Trustee or the Securities Administrator, respectively, unless it shall be proved that the Trustee or the Securities Administrator, respectively, was negligent in ascertaining or investigating the facts related thereto;

(iii) neither the Trustee nor the Securities Administrator shall be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the consent or at the direction of Holders of Certificates as provided herein relating to the time, method and place of conducting any remedy pursuant to this Agreement, or exercising or omitting to exercise any trust or power conferred upon the Trustee or the Securities Administrator, respectively, under this Agreement; and

(iv) the Trustee shall not be charged with knowledge of any Event of Default unless a Responsible Officer of the Trustee at the Corporate Trust Office obtains actual knowledge of such failure or the Trustee receives written notice of such Event of Default.

Neither the Trustee nor the Securities Administrator shall be required to expend or risk its own funds or otherwise incur financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it, and none of the provisions contained in this Agreement shall in any event require the Trustee or the Securities Administrator to perform, or be responsible for the manner of performance of, any of the obligations of the Master Servicer under this Agreement, except during such time, if any, as the Trustee shall be the successor to, and be vested with the rights, duties, powers and privileges of, the Master Servicer in accordance with the terms of this Agreement.

SECTION 8.02. Certain Matters Affecting the Trustee and the Securities Administrator.

Except as otherwise provided in Section 8.01 hereof:

(i) the Trustee and the Securities Administrator may request and conclusively rely upon, and shall be fully protected in acting or refraining from acting upon, any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties, and the manner of obtaining consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee and the Securities Administrator may prescribe;

(ii) the Trustee and the Securities Administrator may consult with counsel and any advice of its counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(iii) neither the Trustee nor the Securities Administrator shall be under any obligation to exercise any of the rights or powers vested in it by this Agreement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Certificateholders, pursuant to the provisions of this Agreement, unless such Certificateholders shall have offered to the Trustee or the Securities Administrator, respectively, reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby; the right of the Trustee to perform any discretionary act enumerated in this Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct in the performance of any such act;

(iv) neither the Trustee nor the Securities Administrator shall be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(v) neither the Securities Administrator nor, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, the Trustee shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or documents, unless requested in writing to do so by the Majority Certificateholder; *provided, however*, that if the payment within a reasonable time to the Trustee or the Securities Administrator of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee or the Securities Administrator, as applicable, not reasonably assured to the Trustee or the Securities Administrator by the security afforded to it by the terms of this Agreement, the Trustee or the Securities Administrator, as applicable, may require reasonable indemnity against such cost, expense or liability as a condition to such proceeding. If the Master Servicer fails to reimburse the Trustee or the Securities Administrator in respect of the reasonable expense of every such examination relating to the Master Servicer, the Trustee or the Securities Administrator shall be reimbursed by the Trust Fund;

(vi) the Trustee shall not be accountable, shall have no liability and makes no representation as to any acts or omissions hereunder of the Master Servicer until such time as the Trustee may be required to act as the Master Servicer pursuant to Section 7.02 hereof and thereupon only for the acts or omissions of the Trustee as a successor Master Servicer;

(vii) the Trustee and the Securities Administrator may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, nominees, attorneys or a custodian, and shall not be responsible for any willful misconduct or negligence on the part of any agent, nominee, attorney or custodian appointed by the Trustee or the Securities Administrator in good faith; and

(viii) the right of the Trustee or the Securities Administrator to perform any discretionary act enumerated in this Agreement shall not be construed as a duty, and

neither the Trustee nor the Securities Administrator shall be answerable for other than its negligence or willful misconduct in the performance of such act.

In order to comply with its duties under the USA PATRIOT Act, the Trustee shall obtain and verify certain information and documentation from the other parties hereto including but not limited to such parties' name, address, and other identifying information.

SECTION 8.03. Trustee and Securities Administrator Not Liable for Certificates or Mortgage Loans.

The recitals contained herein and in the Certificates (other than the authentication and countersignature on the Certificates) shall be taken as the statements of the Seller, and neither the Trustee nor the Securities Administrator assumes any responsibility for the correctness of the same. Neither the Trustee nor the Securities Administrator makes any representations or warranties as to the validity or sufficiency of this Agreement or of the Certificates (other than the signature and countersignature on the Certificates) or of any Mortgage Loan or related document or of MERS or the MERS System. Neither the Trustee nor the Securities Administrator shall at any time have any responsibility or liability for or with respect to the legality, validity and enforceability of the Certificate Insurance Policy, any Yield Maintenance Agreement, any Mortgage or any Mortgage Loan, or the perfection and priority of any Mortgage or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of the Trust or the ability to generate the payments to be distributed to Certificateholders under this Agreement, including, without limitation: the existence, condition and ownership of any Mortgaged Property; the existence and enforceability of any hazard insurance thereon (other than if the Trustee shall assume the duties of the Master Servicer pursuant to Section 7.02 hereof); the validity of the assignment of any Mortgage Loan to the Trustee or of any intervening assignment; the completeness of any Mortgage Loan; the performance or enforcement of any Mortgage Loan (other than if the Trustee shall assume the duties of the Master Servicer pursuant to Section 7.02 hereof); the compliance by the Depositor or the Seller with any warranty or representation made under this Agreement or in any related document or the accuracy of any such warranty or representation prior to the Trustee's receipt of notice or other discovery of any non-compliance therewith or any breach thereof; the acts or omissions of the Master Servicer (other than if the Trustee shall assume the duties of the Master Servicer pursuant to Section 7.02 hereof, and then only for the acts or omissions of the Trustee as the successor Master Servicer), the Servicer or any Mortgagor; any action of the Master Servicer (other than if the Trustee shall assume the duties of the Master Servicer pursuant to Section 7.02 hereof), or the Servicer taken in the name of the Trustee; the failure of the Master Servicer or the Servicer to act or perform any duties required of it as agent of the Trustee hereunder; or any action by the Trustee taken at the instruction of the Master Servicer (other than if the Trustee shall assume the duties of the Master Servicer pursuant to Section 7.02 hereof, and then only for the actions of the Trustee as the successor Master Servicer); *provided, however*, that the foregoing shall not relieve the Trustee of its obligation to perform its duties under this Agreement, including, without limitation, the Trustee's duty to review the Mortgage Files, if so required pursuant to Section 2.01 of this Agreement.

SECTION 8.04. Trustee, Custodian, Master Servicer and Securities Administrator May Own Certificates.

The Trustee, the Custodian, the Master Servicer and the Securities Administrator in their respective individual capacities, or in any capacity other than as Trustee, Custodian, Master Servicer or Securities Administrator hereunder, may become the owner or pledgee of any Certificates with the same rights as they would have if they were not Trustee, Custodian, Master Servicer or Securities Administrator, as applicable, and may otherwise deal with the parties hereto.

SECTION 8.05. Trustee's and Securities Administrator's Fees and Expenses.

The Trustee (including in its capacity as a Custodian hereunder) and the Securities Administrator shall each be compensated by the Master Servicer for its services hereunder from a portion of the Master Servicing Fee. In addition, the Trustee and the Securities Administrator will be entitled to recover from the Distribution Account pursuant to Section 4.03(a) all reasonable out-of-pocket expenses, disbursements and advances, including without limitation, in connection with any filing that the Trustee is required to make under Section 3.20 hereof, any Event of Default, any breach of this Agreement or any claim or legal action (including any pending or threatened claim or legal action) incurred or made by the Trustee or the Securities Administrator, respectively, in the performance of its duties or the administration of the trusts hereunder (including, but not limited to, the performance of its duties under Section 2.03 hereof) or under the Yield Maintenance Agreement or the Certificate Insurance Policy (including the reasonable compensation, expenses and disbursements of its counsel) except any such expense, disbursement or advance as may arise from its negligence or intentional misconduct or which is specifically designated herein as the responsibility of the Depositor, the Seller, the Master Servicer or the Certificateholders hereunder. If funds in the Distribution Account are insufficient therefor, the Trustee and the Securities Administrator shall recover such expenses from future collections on the Mortgage Loans or as otherwise agreed by the Certificateholders. Such compensation and reimbursement obligation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust.

SECTION 8.06. Eligibility Requirements for Trustee and Securities Administrator.

The Trustee and the Securities Administrator hereunder shall each at all times be an entity duly organized and validly existing under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers, and shall each have a combined capital and surplus of at least \$50,000,000, a minimum long-term debt rating in the third highest rating category by each Rating Agency, a minimum short-term debt rating in the second highest rating category by each Rating Agency, and shall each be subject to supervision or examination by federal or state authority. If such entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 8.06, the combined capital and surplus of such entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The principal office of the Trustee (other than the initial Trustee) shall be in a state with respect to which an Opinion of Counsel has been delivered to such

Trustee at the time such Trustee is appointed Trustee to the effect that the Trust will not be a taxable entity under the laws of such state. In case at any time the Trustee or the Securities Administrator shall cease to be eligible in accordance with the provisions of this Section 8.06, the Trustee or the Securities Administrator, as applicable, shall resign immediately in the manner and with the effect specified in Section 8.07 hereof.

SECTION 8.07. Resignation or Removal of Trustee and Securities Administrator.

Each of the Trustee and Securities Administrator (including the Securities Administrator as Paying Agent and as Certificate Registrar) may at any time resign and be discharged from the trust hereby created by giving written notice thereof to the Trustee or the Securities Administrator, as applicable, the Depositor, the Certificate Insurer, the Seller, the Master Servicer and each Rating Agency. Upon receiving such notice of resignation of the Trustee, the Depositor shall promptly appoint a successor Trustee that meets the requirements in Section 8.06 or, in the case of notice of resignation of the Securities Administrator, the Trustee (in consultation with the Depositor) shall promptly appoint a successor Securities Administrator that meets the requirements in Section 8.06, in each case, by written instrument, in duplicate, one copy of which instrument shall be delivered to each of the resigning Trustee or Securities Administrator, as applicable, and one copy to the successor Trustee or successor Securities Administrator, as applicable. If no successor Trustee or successor Securities Administrator, as applicable, shall have been so appointed and having accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee or Securities Administrator may petition any court of competent jurisdiction for the appointment of a successor Trustee or Securities Administrator, as applicable.

If at any time the Trustee or the Securities Administrator shall cease to be eligible in accordance with the provisions of Section 8.06 hereof or if at any time the Trustee or the Securities Administrator shall be legally unable to act, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or the Securities Administrator, as applicable, or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or the Securities Administrator, as applicable, or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Depositor may remove the Trustee or the Trustee may remove the Securities Administrator, as applicable. If the Depositor or the Trustee removes the Trustee or the Securities Administrator, respectively under the authority of the immediately preceding sentence, the Depositor or the Trustee shall promptly appoint a successor Trustee or successor Securities Administrator, as applicable, that meets the requirements of Section 8.06, by written instrument, in triplicate, one copy of which instrument shall be delivered to the Trustee or the Securities Administrator, as applicable, so removed, one copy to the successor Trustee or successor Securities Administrator, as applicable, and one copy to the Master Servicer, and one copy to the Certificate Insurer.

The Majority Certificateholders may at any time remove the Trustee or the Securities Administrator by written instrument or instruments delivered to the Depositor and the Trustee; the Depositor or the Trustee shall thereupon use its best efforts to appoint a successor Trustee or successor Securities Administrator, as applicable, in accordance with this Section.

Any resignation or removal of the Trustee or the Securities Administrator and appointment of a successor Trustee or a successor Securities Administrator, pursuant to any of the provisions of this Section 8.07 shall not become effective until acceptance of appointment by the successor Trustee or successor Securities Administrator, as applicable, as provided in Section 8.08 hereof. As long as the Certificate Insurance Policy is in effect, the Trustee or Securities Administrator, as applicable, will send a written notice to the Certificate Insurer of any such resignation, removal or appointment.

Notwithstanding anything to the contrary contained herein, in the event that the Master Servicer resigns or is removed as Master Servicer hereunder, the Securities Administrator shall have the right to resign immediately as Securities Administrator by giving written notice to the Depositor and the Trustee, with a copy to each Rating Agency and the Certificate Insurer.

SECTION 8.08. Successor Trustee and Successor Securities Administrator.

Any successor Trustee or successor Securities Administrator appointed as provided in Section 8.07 hereof shall execute, acknowledge and deliver to the Depositor, the Seller and the Master Servicer and to its predecessor Trustee or predecessor Securities Administrator, as applicable, an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee or predecessor Securities Administrator, as applicable, shall become effective, and such successor Trustee or successor Securities Administrator, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee or Securities Administrator. The Depositor, the Seller, the Master Servicer and the predecessor Trustee or predecessor Securities Administrator, as applicable, shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee or successor Securities Administrator, as applicable, all such rights, powers, duties and obligations.

No successor Trustee or successor Securities Administrator shall accept appointment as provided in this Section 8.08 unless at the time of such acceptance such successor Trustee or successor Securities Administrator shall be eligible under the provisions of Section 8.06 hereof and the appointment of such successor Trustee or successor Securities Administrator shall not result in a downgrading of the Senior Certificates by each Rating Agency, as evidenced by a letter from such Rating Agency.

Upon acceptance of appointment by a successor Trustee or successor Securities Administrator, as applicable, as provided in this Section 8.08, the successor Trustee or successor Securities Administrator shall mail notice of such appointment hereunder to all Holders of Certificates at their addresses as shown in the Certificate Register, to the Certificate Insurer and to each Rating Agency.

SECTION 8.09. Merger or Consolidation of Trustee or Securities Administrator.

Any entity into which the Trustee or the Securities Administrator may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee or the Securities Administrator shall be a party,

or any entity succeeding to the business of the Trustee or the Securities Administrator, shall be the successor of the Trustee or the Securities Administrator, as applicable, hereunder, provided such entity shall be eligible under the provisions of Section 8.06 and 8.08 hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 8.10. Appointment of Co-Trustee or Separate Trustee.

Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust or any Mortgaged Property may at the time be located, the Depositor and the Trustee acting jointly shall have the power, and the Trustee shall, and shall instruct the Depositor to, at the expense of the Trust Fund, execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees, jointly with the Trustee, or separate trustee or separate trustees, of all or any part of the Trust, and to vest in such Person or Persons, in such capacity and for the benefit of the Certificateholders, such title to the Trust, or any part thereof, and, subject to the other provisions of this Section 8.10, such powers, duties, obligations, rights and trusts as the Depositor and the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor Trustee under Section 8.06 hereof, and no notice to Certificateholders of the appointment of any co-trustee or separate trustee shall be required under Section 8.08 hereof.

Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether as Trustee hereunder or as successor to the Master Servicer hereunder), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be held personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Depositor and the Trustee, acting jointly may at any time accept the resignation of or remove any separate trustee or co-trustee.

Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article VIII. Each separate trustee and co-trustee, upon its

acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Depositor.

Any separate trustee or co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor Trustee.

SECTION 8.11. Limitation of Liability.

The Certificates are executed by the Trustee, not in its individual capacity but solely as Trustee of the Trust, in the exercise of the powers and authority conferred and vested in it by this Agreement. Each of the undertakings and agreements made on the part of the Trustee in the Certificates is made and intended not as a personal undertaking or agreement by the Trustee but is made and intended for the purpose of binding only the Trust.

SECTION 8.12. Trustee May Enforce Claims Without Possession of Certificates.

(a) All rights of action and claims under this Agreement or the Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee for the benefit of all Holders of such Certificates, subject to the provisions of this Agreement. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursement and advances of the Trustee, its agents and counsel, be for the ratable benefit or the Certificateholders in respect of which such judgment has been recovered.

(b) The Trustee shall afford the Seller, the Depositor and each Certificateholder upon reasonable notice during normal business hours at its Corporate Trust Office or other office designated by the Trustee, access to all records maintained by the Trustee in respect of its duties hereunder and access to officers of the Trustee responsible for performing such duties. Upon request, the Trustee shall furnish the Depositor and any requesting Certificateholder with its most recent audited financial statements. The Trustee shall cooperate fully with the Seller, the Depositor and such Certificateholder and shall, subject to the first sentence of this Section 8.12(b), make available to the Seller, the Depositor and such Certificateholder for review and copying such books, documents or records as may be requested with respect to the Trustee's duties hereunder. The Seller, the Depositor and the Certificateholders shall not have any responsibility or liability for any action or failure to act by the Trustee and are not obligated to supervise the performance of the Trustee under this Agreement or otherwise.

SECTION 8.13. Suits for Enforcement.

In case an Event of Default or a default by the Depositor hereunder shall occur and be continuing, the Trustee may proceed to protect and enforce its rights and the rights of the Certificateholders under this Agreement, as the case may be, by a suit, action or proceeding in equity or at law or otherwise, whether for the specific performance of any covenant or agreement contained in this Agreement or in aid of the execution of any power granted in this Agreement or for the enforcement of any other legal, equitable or other remedy, as the Trustee, being advised by counsel, and subject to the foregoing, shall deem most effectual to protect and enforce any of the rights of the Trustee and the Certificateholders.

SECTION 8.14. Waiver of Bond Requirement.

The Trustee shall be relieved of, and each Certificateholder hereby waives, any requirement of any jurisdiction in which the Trust, or any part thereof, may be located that the Trustee post a bond or other surety with any court, agency or body whatsoever.

SECTION 8.15. Waiver of Inventory, Accounting and Appraisal Requirement.

The Trustee shall be relieved of, and each Certificateholder hereby waives, any requirement of any jurisdiction in which the Trust, or any part thereof, may be located that the Trustee file any inventory, accounting or appraisal of the Trust with any court, agency or body at any time or in any manner whatsoever.

SECTION 8.16. Appointment of Custodians.

The Trustee may, and at the direction of the Depositor shall, appoint one or more custodians to hold all or a portion of the related Mortgage Files as agent for the Trustee, by entering into a custodial agreement. The custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to this Article VIII, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the custodian for the benefit of the Certificateholders having an interest in any Mortgage File held by such custodian. Each custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$15,000,000 and shall be qualified to do business in the jurisdiction in which it holds any Mortgage File. The Master Servicer shall pay from its own funds, without any right to reimbursement, the fees, and any ordinary and routine costs and expenses of each Custodian. Each Custodian shall also be entitled to the benefits of Section 3.26 hereof. The initial Custodian of the Mortgage Loans shall be Deutsche Bank National Trust Company.

ARTICLE IX

REMIC ADMINISTRATION

SECTION 9.01. REMIC Administration.

(a) As set forth in the Preliminary Statement to this Agreement, the Trustee shall elect to treat each REMIC created hereby as a REMIC for federal tax purposes. The Trustee shall sign and the Securities Administrator shall file such elections on Form 1066 or other appropriate federal tax or information return for the taxable year ending on the last day of the calendar year in which the Certificates are issued. The regular interests in each REMIC created hereunder and the related residual interest shall be as designated in the Preliminary Statement. Following the Closing Date, the Securities Administrator shall apply to the Internal Revenue Service for an employer identification number for each REMIC created hereunder by means of a Form SS-4 or other acceptable method and shall file a Form 8811 with the Internal Revenue Service.

(b) The Closing Date is hereby designated as the "Startup Day" of each REMIC created hereunder within the meaning of section 860G(a)(9) of the Code. The latest possible maturity date for purposes of Treasury Regulation 1.860G-1(a)(4) will be the Latest Possible Maturity Date.

(c) Except as provided in subsection (d) of this Section 9.01, the Seller shall pay any and all tax related expenses (not including taxes) of each REMIC created hereunder, including but not limited to any professional fees or expenses related to audits or any administrative or judicial proceedings with respect to any such REMIC that involve the Internal Revenue Service or state tax authorities, but only to the extent that (i) such expenses are ordinary or routine expenses, including expenses of a routine audit but not expenses of litigation (except as described in (ii)); or (ii) such expenses or liabilities (including taxes and penalties) are attributable to the negligence or willful misconduct of the Trustee or the Securities Administrator in fulfilling its respective duties hereunder (including the Securities Administrator's duties as tax return preparer).

(d) The Securities Administrator shall prepare and file, and the Trustee shall sign all of the federal and state tax and information returns of each REMIC created hereunder (collectively, the "**Tax Returns**") as the direct representative. The expenses of preparing and filing such Tax Returns shall be borne by the Securities Administrator. Notwithstanding the foregoing, the Securities Administrator shall have no obligation to prepare, file or otherwise deal with partnership tax information or returns. In the event that partnership tax information or returns are required by the Internal Revenue Service, the Seller, at its own cost and expense, will prepare and file all necessary returns.

(e) The Securities Administrator shall perform on behalf of each REMIC created hereunder all reporting and other tax compliance duties that are the responsibility of each such REMIC under the Code, the REMIC Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority. Among its other duties, if required by the Code, the REMIC Provisions or other such guidance, the Securities Administrator, shall provide (i) to the Treasury or other governmental authority such information

as is necessary for the application of any tax relating to the transfer of a Residual Certificate to any disqualified organization and (ii) to the Certificateholders such information or reports as are required by the Code or REMIC Provisions.

(f) Each of the Master Servicer, the Trustee and the Securities Administrator (to the extent that the affairs of the REMICs are within such Person's control and the scope of its specific responsibilities under the Agreement) and the Holders of Certificates shall take any action or cause any REMIC created hereunder to take any action necessary to create or maintain the status of any REMIC created hereunder as a REMIC under the REMIC Provisions and shall assist each other as necessary to create or maintain such status. None of the Trustee, the Master Servicer, the Securities Administrator or the Holder a Residual Certificate shall take any action, cause any REMIC created hereunder to take any action or fail to take (or fail to cause to be taken) any action that, under the REMIC Provisions, if taken or not taken, as the case may be, could result in an Adverse REMIC Event unless the Trustee and the Securities Administrator have received an Opinion of Counsel (at the expense of the party seeking to take such action) to the effect that the contemplated action will not result in an Adverse REMIC Event. In addition, prior to taking any action with respect to any REMIC created hereunder or the assets therein, or causing any such REMIC to take any action which is not expressly permitted under the terms of this Agreement, any Holder of a Residual Certificate will consult with the Trustee, the Master Servicer, the Securities Administrator or their designees, in writing, with respect to whether such action could cause an Adverse REMIC Event to occur with respect to any such REMIC, and no such Person shall take any such action or cause any REMIC created hereunder to take any such action as to which the Trustee or the Securities Administrator has advised it in writing that an Adverse REMIC Event could occur.

(g) Each Holder of a Residual Certificate shall pay when due any and all taxes imposed on any REMIC created hereunder in which it owns the residual interest by federal or state governmental authorities. To the extent that such Trust taxes are not paid by such Residual Certificateholder, the Paying Agent shall pay any remaining REMIC taxes out of current or future amounts otherwise distributable to such Holder or, if no such amounts are available, out of other amounts held in the Distribution Account, and shall reduce amounts otherwise payable to holders of regular interests in such REMIC, as the case may be.

(h) The Securities Administrator shall, for federal income tax purposes, maintain books and records with respect to each REMIC created hereunder on a calendar year and on an accrual basis.

(i) No additional contributions of assets shall be made to any REMIC created hereunder, except as expressly provided in this Agreement with respect to eligible substitute mortgage loans.

(j) None of the Trustee, the Master Servicer or the Securities Administrator shall enter into any arrangement by which REMIC created hereunder will receive a fee or other compensation for services.

(k) The Securities Administrator shall treat each of the Basis Risk Reserve Fund and the Yield Maintenance Account as outside reserve funds within the meaning of Treasury Regulation

Section 1.860G-2(h) owned by the holders of the Class X Certificates and not as assets of any REMIC. The Securities Administrator shall treat the rights of the Holders of the LIBOR Certificates to receive distributions to cover Basis Risk Shortfalls as payments under a cap contract written by the Holders of the Class X Certificates in favor of the Holders of the LIBOR Certificates. Thus, the LIBOR Certificates shall be treated as representing not only ownership of regular interests in a REMIC, but also ownership of an interest in an interest rate cap contract. For purposes of determining the issue prices of the Certificates, the interest rate cap contracts shall be assumed to have a zero value unless and until required otherwise by an applicable taxing authority.

SECTION 9.02. Prohibited Transactions and Activities.

None of the Depositor, the Master Servicer or the Trustee shall sell, dispose of, or substitute for any of the Mortgage Loans, except in a disposition pursuant to (i) the foreclosure of a Mortgage Loan, (ii) the bankruptcy of the Trust Fund, (iii) the termination of the REMICs created hereunder pursuant to Article X of this Agreement, (iv) a substitution pursuant to Article II hereof or (v) a repurchase of Mortgage Loans as contemplated hereunder, nor acquire any assets for any REMIC created hereunder, nor sell or dispose of any investments in the Distribution Account for gain, nor accept any contributions to any REMIC created hereunder after the Closing Date, unless it has received an Opinion of Counsel (at the expense of the party causing such sale, disposition, or substitution) that such disposition, acquisition, substitution, or acceptance will not (a) affect adversely the status of any REMIC created hereunder as a REMIC or of the interests therein other than a Residual Certificate as the "residual interest" therein, (b) affect the distribution of interest or principal on the Certificates, (c) result in the encumbrance of the assets transferred or assigned to the Trust Fund (except pursuant to the provisions of this Agreement) or (d) cause any REMIC created hereunder to be subject to a tax on prohibited transactions or prohibited contributions pursuant to the REMIC Provisions.

ARTICLE X

TERMINATION

SECTION 10.01. Termination.

(a) The respective obligations and responsibilities of the Seller, the Depositor, the Master Servicer, the Securities Administrator and the Trustee created hereby (other than the obligation of the Securities Administrator, as Paying Agent to make certain payments to Certificateholders after the final Distribution Date and the obligation of the Call Option Holder to send certain notices as hereinafter set forth) shall terminate upon the earliest of (i) the Distribution Date on which the Class Certificate Principal Balance of each Class of Certificates has been reduced to zero, (ii) the final payment or other liquidation of the last Mortgage Loan, (iii) the optional purchase by the Call Option Holder of the Mortgage Loans as described below and (iv) the Latest Possible Maturity Date. Notwithstanding the foregoing, in no event shall the trust created hereby continue beyond the expiration of 21 years from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

Following the date on which the aggregate of the Stated Principal Balances of the Mortgage Loans (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period) on such date is equal to or less than 10% of the Cut-Off Date Aggregate Principal Balance (the "**Call Option Date**"), the Call Option Holder may, at its option, terminate this Agreement by purchasing, on the next succeeding Distribution Date, all of the outstanding Mortgage Loans and REO Properties at a price equal to (A) the greater of (i) the Stated Principal Balance of the Mortgage Loans (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period) and the appraised value of the REO Properties and (ii) the fair market value of the Mortgage Loans and REO Properties (as determined and as agreed upon by (x) the Call Option Holder and (y) the Holders of a majority in Percentage Interest of the Class A-R-II Certificates in their good faith business judgment as of the close of business on the third Business Day next preceding the date upon which notice of any such termination is furnished to the related Certificateholders pursuant to Section 10.01(b)), plus, (B) in each case, accrued and unpaid interest thereon at the weighted average of the Mortgage Rates through the end of the Due Period preceding the final Distribution Date, plus any unreimbursed Servicing Advances and Advances and any unpaid Master Servicing Fees and Servicing Fees allocable to such Mortgage Loans and REO Properties and all amounts, if any, then due and owing to the Trustee, the Master Servicer and the Securities Administrator under this Agreement (the "**Termination Price**"); provided, however, such option may only be exercised if the Termination Price is sufficient to result in the payment of all interest accrued on, as well as amounts necessary to retire the Class Certificate Principal Balance of, each Class of Certificates issued pursuant to this Agreement. The fair market value of the Mortgage Loans and REO Properties shall be required to be made and agreed upon by the Call Option Holder, and the Holders of a majority in Percentage Interest of the Class A-R-II Certificates as provided in (ii) above in their good faith business judgment, and such determination shall take into consideration an appraisal of the value of the Mortgage Loans and REO Properties conducted by an independent appraiser mutually agreed upon by the Call Option Holder, and the Holders of a majority in Percentage Interest of the Class A-R-II Certificates in their reasonable discretion, such appraisal to be obtained by the Holders of a majority in Percentage Interest of the Class A-R-II Certificates at their expense, and (A) such appraisal shall be obtained at no expense to the Trustee and (B) the Trustee may conclusively rely on, and shall be protected in relying on, such fair market value determination.

In connection with any such purchase pursuant to the preceding paragraph, the Call Option Holder shall deposit in the Distribution Account all amounts then on deposit in the Collection Account, which deposit shall be deemed to have occurred immediately preceding such purchase.

Notwithstanding anything provided herein to the contrary, upon the exercise of the Call Option Holder of its Call Option, the Servicing Rights Owner shall retain any and all related Servicing Rights with respect to the Mortgage Loans.

No such purchase by the Call Option Holder will be permitted without the consent of the Certificate Insurer if a draw on the Certificate Insurance Policy will be made or if any amounts due to the Certificate Insurer would remain unreimbursed on the final Distribution Date.

(b) Notice of any termination pursuant to the second paragraph of Section 10.01(a), specifying the Distribution Date (which shall be a date that would otherwise be a Distribution Date) upon which the Certificateholders may surrender their Certificates to the Certificate Registrar for payment of the final distribution and cancellation, shall be given promptly by the Trustee upon the Trustee receiving notice of such date from the Master Servicer by letter to the Certificateholders mailed not earlier than the 10th day and not later than the 19th day of the month immediately preceding the month of such final distribution specifying (1) the Distribution Date upon which final distribution of the Certificates will be made upon presentation and surrender of such Certificates at the office or agency of the Certificate Registrar therein designated, (2) the amount of any such final distribution and (3) that the Record Date otherwise applicable to such Distribution Date is not applicable, distributions being made only upon presentation and surrender of the Certificates at the office or agency of the Certificate Registrar therein specified. The Trustee shall give such notice to the Securities Administrator, the Master Servicer, the Certificate Insurer and the Certificate Registrar at the time such notice is given to Holders of the Certificates. Upon any such termination, the duties of the Certificate Registrar with respect to the Certificates shall terminate and the Trustee shall terminate or request the Master Servicer to terminate, the Distribution Account and any other account or fund maintained with respect to the Certificates, subject to the Trustee's obligation hereunder to hold all amounts payable to Certificateholders in trust without interest pending such payment.

(c) Upon presentation and surrender of the Certificates, the Securities Administrator, as Paying Agent shall cause to be distributed to the Holders of the Certificates on the Distribution Date for such final distribution, in proportion to the Percentage Interests of their respective Class and to the extent that funds are available for such purpose, an amount equal to the amount required to be distributed to such Holders in accordance with the provisions of Section 5.01 hereof for such Distribution Date.

(d) In the event that all Certificateholders shall not surrender their Certificates for final payment and cancellation on or before such final Distribution Date, the Trustee shall promptly following such date cause all funds in the Distribution Account not distributed in final distribution to Certificateholders to be withdrawn therefrom and credited to the remaining Certificateholders by depositing such funds in a separate account for the benefit of such Certificateholders, and the Trustee shall give a second written notice to the remaining Certificateholders to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within nine months after the second notice all the Certificates shall not have been surrendered for cancellation, the Master Servicer shall be entitled to all unclaimed funds and other assets which remain subject hereto, and the Trustee upon transfer of such funds shall be discharged of any responsibility for such funds, and the Certificateholders shall look to the Master Servicer for payment.

SECTION 10.02. Additional Termination Requirements.

(a) In the event the purchase option provided in Section 10.01 is exercised, the Trust shall be terminated in accordance with the following additional requirements:

(i) The Trustee shall sell any remaining assets of the Trust Fund for cash and, within 89 days of such sale, the Securities Administrator shall distribute to (or credit to

the account of) the Certificateholders the proceeds of such sale together with any cash on hand (less amounts retained to meet claims) in complete liquidation of the Trust Fund and any REMIC created hereunder; and

MISCELLANEOUS PROVISIONS

SECTION 12.01. Amendment.

This Agreement may be amended from time to time by the Seller, the Depositor, the Master Servicer, the Securities Administrator and the Trustee, without the consent of the Certificateholders, and, with respect to any amendment that adversely affects the interests of any of the Holders of the Insured Certificates or the Certificate Insurer, with the prior written consent of the Certificate Insurer, (i) to cure any ambiguity, (ii) to correct or supplement any provisions herein which may be defective or inconsistent with any other provisions herein, (iii) to make any other provisions with respect to matters or questions arising under this Agreement, which shall not be inconsistent with the provisions of this Agreement, or (iv) to conform the terms hereof to the description thereof provided in the Prospectus; *provided, however*, that any such action listed in clause (i) through (iii) above shall be deemed not to adversely affect in any material respect the interests of any Certificateholder, if evidenced by (i) written notice to the Depositor, the Seller, the Master Servicer, The Securities Administrator and the Trustee from each Rating Agency that such action will not result in the reduction or withdrawal of the rating of any outstanding Class of Certificates with respect to which it is a Rating Agency (without regard to the Certificate Insurance Policy) or (ii) an Opinion of Counsel stating that such amendment shall not adversely affect in any material respect the interests of any Certificateholder, is permitted by the Agreement and all the conditions precedent, if any have been complied with, delivered to the Master Servicer and the Trustee.

In addition, this Agreement may be amended from time to time by Seller, the Depositor, the Master Servicer, the Securities Administrator and the Trustee with the consent of the Majority Certificateholders for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Holders of Certificates; and subject, in the case of any amendment or modification to Section 5.01(a)(i) hereof, to the consent of the Bank of New York, as a Custodian; *provided, however*, that no such amendment or waiver shall (x) reduce in any manner the amount of, or delay the timing of, payments on the Certificates that are required to be made on any Certificate without the consent of the Holder of such Certificate, (y) adversely affect in any material respect the interests of the Holders of any Class of Certificates in a manner other than as described in clause (x) above, without the consent of the Holders of Certificates of such Class evidencing at least a 66^{2/3}% Percentage Interest in such Class, or (z) reduce the percentage of Voting Rights required by clause (y) above without the consent of the Holders of all Certificates of such Class then outstanding. Upon approval of an amendment, a copy of such amendment shall be sent to each Rating Agency.

Notwithstanding any provision of this Agreement to the contrary, the Trustee shall not consent to any amendment to this Agreement unless it shall have first received an Opinion of Counsel, delivered by and at the expense of the Person seeking such Amendment (unless such Person is the Trustee, in which case the Trustee shall be entitled to be reimbursed for such expenses by the Trust pursuant to Section 8.05 hereof), to the effect that such amendment will not result in an Adverse REMIC Event and that the amendment is being made in accordance with the terms hereof, such amendment is permitted by this Agreement and all conditions precedent, if any, have been complied with.

Promptly after the execution of any such amendment the Trustee shall furnish, at the expense of the Person that requested the amendment if such Person is the Seller (but in no event at the expense of the Trustee), otherwise at the expense of the Trust, a copy of such amendment and the Opinion of Counsel referred to in the immediately preceding paragraph to the Master Servicer, the Certificate Insurer and each Rating Agency.

It shall not be necessary for the consent of Certificateholders under this Section 12.01 to approve the particular form of any proposed amendment; instead it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee may prescribe.

The Trustee may, but shall not be obligated to, enter into any amendment pursuant to this 12.01 Section that affects its rights, duties and immunities under this Agreement or otherwise.

SECTION 12.02. Recordation of Agreement; Counterparts.

To the extent permitted by applicable law, this Agreement is subject to recordation in all appropriate public offices for real property records in all the counties or other comparable jurisdictions in which any or all of the Mortgaged Properties are situated, and in any other appropriate public recording office or elsewhere, such recordation to be effected by the Trustee at the expense of the Trust, but only upon direction of Certificateholders accompanied by an

Opinion of Counsel to the effect that such recordation materially and beneficially affects the interests of the Certificateholders and the Certificate Insurer.

For the purpose of facilitating the recordation of this Agreement as herein provided and for other purposes, this Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument.

SECTION 12.03. Limitation on Rights of Certificateholders.

The death or incapacity of any Certificateholder shall not (i) operate to terminate this Agreement or the Trust, (ii) entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust or (iii) otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Except as expressly provided for herein, no Certificateholder shall have any right to vote or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties hereto, nor shall anything herein set forth or contained in the terms of the Certificates be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third person by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

No Certificateholder shall have any right by virtue of any provision of this Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trustee a written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the Holders of Certificates entitled to at least 25% of the Voting Rights shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 15 days after its receipt of such notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding. It is understood and intended, and expressly covenanted by each Certificateholder with every other Certificateholder, the Securities Administrator and the Trustee, that no one or more Holders of Certificates shall have any right in any manner whatever by virtue of any provision of this Agreement to affect, disturb or prejudice the rights of the Holders of any other of such Certificates, or to obtain or seek to obtain priority over or preference to any other such Holder, which priority or preference is not otherwise provided for herein, or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all Certificateholders. For the protection and enforcement of the provisions of this Section 12.03, each and every Certificateholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

By accepting its Insured Certificate, each Holder of an Insured Certificate agrees that, unless a Certificate Insurer Default exists and is continuing, the Certificate Insurer shall have the right to exercise all rights of the Holders of the Insured Certificates under this Agreement (other

than the right to receive distributions on the Insured Certificates) without any further consent of the Holders of the Insured Certificates and the Holders of the Insured Certificates shall exercise any such rights only upon the written consent of the Certificate Insurer; *provided, however*, each Holder of an Insured Certificate and the Certificate Insurer will have the right to receive statements and reports hereunder. Notwithstanding the foregoing, the Certificate Insurer shall have no power without the consent of the Owner of each Certificate affected thereby to: (i) reduce in any manner the amount of, or delay the timing of, distributions of principal or interest required to be made hereunder or reduce the Percentage Interest of the Holders of the Insured Certificates, the Certificate Interest Rate or the Termination Payment with respect to any of the Insured Certificates; (ii) reduce the percentage of Percentage Interests specified in Section 12.01 which are required to amend this Agreement; (iii) create or permit the creation of any lien against any part of the Trust Fund; (iv) modify any provision in any way which would permit an earlier retirement of the Insured Certificates; or (v) amend this sentence.

SECTION 12.04. Governing Law; Jurisdiction.
